for Immediate

My salary bill has not been admitted in audit for the reason that the certification issued by the Leave sanctioning authority has not been received in the Accounts Office. I see from my Leave account that the Leave applied for was granted from 31.5.49 to 25.6.49. I understand that the certification could not be issued because the Leave at my credit was not ascertainable in the absence of my Service Register (which is not readily traceable in the O.B.) with the result I have been put to a lot of inconvenience.

Since I have not taken Privilege Leave for about a year past and at the beginning of last year also there was some Leave at credit, I request that a letter may be written to the Controller that my bill may be admitted pending the issue of the usual certification. Action in this behalf may please be taken immediately if there be no objection.
